2009 MercyOne Broker Bonus Plan

Mercy Health Plans will pay licensed agents an additional bonus based on the number of MercyOne individual medical policies sold.

Minimum # Sold Applications	Per Application Bonus
10	\$30
20	\$50
50	\$75
75	\$100
100+	\$150

Program Details

- Bonus includes all new applications with effective dates of July 1, 2009 through December 1, 2009. A minimum of 10 new applications are required.
- Bonus credit is given only for policies in force for a period of 90 days or more.
- Bonus is payable only for new applicants who reside in Arkansas.
- Bonus is retroactive when the next level of sold applications is achieved (for example, the bonus will be \$50 per application if 20 new applications are sold).
- Bonus credit and payment will mirror the agent's or agency commission arrangement (i.e. when commissions are payable to the company then bonus will accrue for sales through and payable to the agency).
- Agent-of-record changes do not count as new applications.
- No bonus is payable for former MercyOne members terminated for a period of less than twelve 12 months.
- Bonuses are paid annually on or about April 15th of the following year.
